

Jeffrey A. Carmen, Ph.D.  
Licensed Psychologist  
Inventor of Passive Infrared  
Hemoencephalography

Email: carmen5272@gmail.com

Clinical  
Summer  
2020

"Excessive rate and magnitude of response to relatively benign stimuli"

"That was Siegfried's improvement over whatever I was saying before that. His wording was better so I stole it back from him."

# Training Course Dates

August 7 Introduction to Passive Infrared Hemoencephalography

August 8 Advanced Clinical Seminar - using pIR HEG with complicated disorders

August 9 Infrared Camera training - use of an infrared camera for image capture along with image analysis training.
